In God's Time

IRON SHARPENS IRON

MONDAY, August 2, 7:00pm

Everyone is invited to attend this Bible study group, led by Tom Morrison. It will meet every other week to really dig into the Word of God.

Everyone will be encouraged to participate in this round table discussion of doctrinal issues. Please be sure to bring your Bible and a notepad.

As iron sharpens iron; so one man sharpens another. (Proverbs 27:17)

AUGUST 4 • 6 PM potluck

It's time for our once-a-month church potluck! You don't want to miss the chance to sample some of the best home cooking in all of Polk County. Let us get to know you better as we spend time in fellowship. There will be no service – just food, friends and lots of fun.

WOMEN MOVING FORWARD

Women Moving Forward will be a chance for the women of the community to come together to study God's Word and move forward in His purpose for our lives.

Beginning in September, we will be meeting twice a month, the days and times will be announced soon.

The purpose of this group will be to get to know each other's strengths and weaknesses, build on the strengths and learn to work around the weaknesses so they do not hinder what God would have us do for His honor and glory.

SHARE THE MESSAGE

You can share today's message with friends, neighbors or family anytime! CDs are available at the back counter after the service. The suggested donation is \$3 for one CD and \$5 for two CDs.

PLANS ARE PROGRESSING!

The planning phase for our new church building is progressing well! Pastor Ed and the elders are working closely with church construction specialists and architects of the Dayspring Corporation on a custom design for our new church building. This new building on our ten acres of land in the Four Corners subdivision on Hwy 190 will give us plenty of room to grow in order to fulfill God's plan and purpose for COTL!

It's not too late to fill out a faith pledge card for the land purchase and join those who are investing in the future of our church and our community!

Our nation desperately needs to turn to the values on which this country was founded. More than ever before we need to catch and spread the fire of revival.

Thus, we are very excited to have evangelists Gene and Monia Summers coming as guest speakers next month. Start spreading the word!

Invite your family, friends and neighbors to be a part of this "incendiary" event. Let's start a fire!
